Vehicle Mechanic

Are you an experienced vehicle mechanic ready for your next career move to a company that really values your contribution? People truly are at the heart of our business, and we believe in empowering our colleagues to develop their skills, make decisions and take on new responsibilities. This rewarding role would suit someone who is very capable, can work without supervision and able to prioritise your workload effectively.

Responsibilities

- Dealing with all aspects of the equipment repair and servicing: electrical, mechanical, or hydraulic
- Complete regular vehicle servicing on our 4x4 fleet, preparing the fleet for MOTs and rectifying routine damage
- Complete regular pre-delivery inspections on our welfare fleet, rectifying faults and damage identified and perform routine maintenance & servicing
- Finding the cause of breakdowns using manuals, worksheets and technical drawings
- Using computer diagnostic equipment to find faults in complex machinery
- Using various hand and power tools, as well as welding gear and electrical testing equipment
- Repairing or replacing damaged parts and reassembling and testing the machine
- Completing daily log sheets, listing work done and time spent on it.
- Updating Vehicle & Plant service records
- Occasional travel may be required.

Skills

- Prior experience in maintaining a wide range of 4x4 and plant equipment.
- Able to work as part of a team, supporting colleagues.
- Flexible and self-motivated, you will be keen to embrace new training opportunities.
- Great communication skills both verbal and written
- Focused with a commitment to delivering an excellent service.
- Effective planning and organisation skills with strong attention to detail and accuracy.

Job Type: Full-time

Salary: £29,000.00-£33,000.00 per year Benefits: Company pension, On-site parking

Schedule: Monday to Friday Work Location: In person
